

5th Dorking URC Scout Group Activity Wear

The group has arranged for its emblem to be registered with www.uniformeasy.co.uk

Many parents and schools use this online shop to source their school uniforms. You can shop in the sure knowledge that it is backed by one of Britain's largest retailers (Tesco), with a range of Group approved colours and styles pre-registered with them to make ordering easy. All items are reasonably priced and will be embroidered with the Group logo and then sent to you by post.

Every purchase also means a small contribution is received by the Group to help our activities.
